Dear Mr. Bloch:

In reply to your questions on the Camels and Beechnut programs not broadcast-

The three Camel Campus Caravans that are missing were not broadcast because of the Spring recess, which came between April 2, 1942 and April 12, 1942. In one of our conversations I mentioned this fact to you and you assurred me that this would be alright. We will be able to make up these broadcasts either the week of the 18th or the week of the 25th.

During the month of April we missed 15 Beechnut spots. The station went off the air the afternoon of April 2nd because, by that evening the greater part of the student body had left. We will be able to make up these spots either the week of the 18th or the week of the 25th.

Very truly yours,

Business Manager
